Sierra Loves Repeat Customers!

There is no greater compliment than a repeat customer! Paul J. Sierra Construction, Inc. is pleased to report a recently-completed project, again! In 2011, we converted an abandoned bank into a pharmacy. The Owner was so satisfied with both the results and the professional relationship with Sierra, that he asked us to do more work at his business! The new scope of work included a renovation to the building's drive-thru section.

Quality Specialty Pharmacy, Inc. is a community pharmacy offering superior and quality prescription fulfillment as well as over the counter products. Be sure to check out their new location at 5144 East Busch Boulevard!

Sierra has been servicing the Greater Bay area for 38 years. Contact us for all of your building needs!
